

96 Volt AC Mantrip (12 Man)

The ACM has all of the qualities of the SCM, but with the improved performance of the AC motor and controls. The ACM has all the necessary power to get 10 to 12 workers to the outby working area of a mine. It is available in 7 1/2 and 9 feet wide models. The ACM can be equipped with passenger seats, if the overall height of the mine permits.

With features like a heavy duty tubular front axle and hydraulic wet disc brakes, the 12 man 96 Volt AC Mantrip is a great benefit in a variety of industries. Johnson Industries' AC Mantrip is the ideal personnel carrier and is or can be used around the world in salt mines, coal mines, molybdenum mines, zinc mines, potash mines, gold mines, rock mines.

Featuring a continuous 40 HP three phase AC motor, panic switch, and 260 Amp Hour batteries, the AC Mantrip from Johnson Industries is a great solution for your industry's personnel carrier needs.

96 VOLT AC Mantrip - 12 Man

Vehicle Specifications

- Adjustable Speed
- Heavy Duty Tubular Front Axle
- Front Axle Suspension - Air Bags with Shock Absorbers
- Truck Style Steering
- Braking - Hydraulic Wet Disc Brakes
- 260 Amp-Hr Batteries - 16x 6-Volt Lead Acid
- 40 Amp Programmable Charger
- Continuous 40 HP Three Phase AC Motor
- Rear Axle - 7000 LB Planetary
- 550 Amp Controller
- Sealed 500 Amp Solenoid
- LED Lights
- Panic Switch
- Battery Monitor
- LCD Display for Monitoring:
 - Speed
 - RPM
 - Motor Temperature
 - Controller Temperature
 - Odometer
- Safety Features:
 - Vehicle will not change direction unless completely stopped.
 - Dynamic braking.
 - Vehicle auto-disables itself if left on (Time can be set to customer's request)

Standard Dimensions:

- Contact us with your requirements so we can build to your specifications. Call Today! **(606) 639-2029**

Available Options:

- Front disc brakes
- Strobe light
- Electric power steering
- Fire extinguisher
- Rescuer storage box

Industries Used Or Can Be Used:

- Mining Industries
- Zinc Mining
- Salt Mining
- Potash Mining
- Coal Mining
- Gold Mining
- Molybdenum Mining
- Rock Mining
